

## LBB 3549/00 and LBB 3549/50

### Pluggable Microphones

- Uni-directional microphones on adjustable stem
- Built-in pop- and windshield

The LBB 3549/00 is a uni-directional, condenser microphone with an adjustable stem, that plugs into the LBB 3537/20 Microphone Control Panel for quick and convenient use. The LBB 3549/50 is identical to the LBB 3549/00, but has a longer stem length.

### Controls and indicators

- Condenser microphones with built-in pop- and windshield, complete with a light ring which illuminates when the microphone is on
